

# Project Update: Ansley Park Streetscape Improvement Project

City of Atlanta  
Department of Public Works

Richard Mendoza, Commissioner

September 2014

**Project:** Ansley Park Streetscape Improvement Project  
**Project ID#:** 0006572 **CD:** 6 **NPU:** E **Contractor:** S D & C Incorporated

**Description:** The Peachtree Circle project is the first phase of the Ansley Park Streetscape Improvement Project. This project will construct a roundabout and provide pedestrian facilities at the intersections of Peachtree Circle and 15<sup>th</sup> Street and Peachtree Circle and The Prado. The Project limits are along Peachtree Circle from 15<sup>th</sup> Street to Peachtree Street. Project improvements will reduce the overall widths at the pedestrian islands from the existing 30-100+ feet in each direction, to 15-23 feet. New pedestrian islands will include five-foot sidewalks.

Other elements of the project include the installation of roundabouts with landscaped intersections, the construction of channelization islands and medians—landscaped and granite cobble stones, the construction of ADA ramps and sidewalks and a 5-foot sidewalk in the pedestrian island.

**Phase:** Construction completed

**Schedule Status:** On schedule

**Construction Start Date:** September 2013

**Funding Sources:** Federal TE (Transportation Enhancement) & Local Funding

**Project Status:**

- This project is completed. The contractor has addressed all final punch-list items.

**Please note:** Final landscaping installation will be coordinated through the Ansley Park Civic Association (APCA).
